

CONTINUE STUDYING SPANISH WITH PYLMON'S TEACHER...FROM YOUR HOME.

Pylmon Languages offers you brand new Spanish language courses – **online and blended distance learning.**

The **online Spanish courses** which are acknowledged by the *Cervantes Institute* are dedicated to those students that cannot come to our Spanish classes e.g. because of their working schedule. This online course allows you to study Spanish with a maximum of flexibility.

We offer different online courses depending on what the student is interested in:

Spanish Courses Online without Tutor

This course is dedicated to the students that prefer to study Spanish without the help of any teacher. The course consists of 30 hours self-study.

Online Spanish Course with Tutor

This course is dedicated to students that prefer to study with the help of a teacher. The course consists of 30 hours self-study and 5 hours online tuition where the teacher answers the student's questions.

Blended Distance Learning

This course is dedicated to students that prefer to study with the help of a teacher. The course consists of 30 hours self-study and 5 hours private tuition which take place in our school; the teacher will dispel the student's doubts and answer his questions.

Advantages:

- Organize the course schedule yourself.
 - Do it at your own pace.
- Plan your course calendar and exercises agenda.
- Connect from any place you want: your room, library, café or office.
 - Combine easily your Spanish course with other activities.
